Did You Know?

Too many creditor inquiries can affect your credit, but checking your own credit does not affect your score.

Credit Report Alerts

Triple Alert watches over all 3 of your national credit files and scans for key changes.

Credit Score

You've taken the first step
towards better credit management by checking your credit report. Now see how lenders and creditors measure your credit with your Experian® PLUS ScoreSM.

[Order Now](#)

Credit scoring is used to help potential lenders quickly measure an applicant's credit worthiness. The PLUS Score is the credit score developed by Experian that allows you to see the same kind of score lenders use when making decisions about your loan.

- **Get your score instantly.** Find out where your credit stands in seconds.
- **See how your credit measures up.** Understand your credit before applying for a loan or line of credit.
- **See what factors affect your score.** You will also receive a detailed explanation of the factors that impact your credit score.

So how's your credit? Plan. Live. Understand. Succeed.SM with your PLUS Score! Find out yours today for only \$5.00!
